GFO Board of Directors Election Results

Results are in from the Spring election, and board members were installed at the June meeting. Laurel Smith is the new President, and Keith Pyeatt is the new Secretary. Gerry Lenzen will serve as Director-at-Large. Laurel's election to the presidency left a vacancy in the other Director-at-Large position to which Rhonda Stone, who received the second largest number of votes in the election, has been appointed.

Thanks to all of you who participated by voting!

Road Construction!

Powell Blvd. will be **closed July 20** for overpass demolition, and the **overpass at SE 17th and Powell Blvd.** will be **closed** for the next year.

See trimet.org/pm for more information.

Summer Break

The monthly programs and many interest groups take a break during June, July, and August. If in doubt, you can find the schedule and contact list in each *Insider* and on the GFO website.

Time to Change to Electronic Delivery?

Costs of printing and mailing the *Insider* and the *Bulletin* continue to increase, 10% more for the *Insider* in the last three years and 24% more for the *Bulletin*. A paper subscription to the two publications costs the GFO \$13.38 annually for printing and mailing. There is no out-of-pocket cost to the GFO when members select electronic delivery. The current membership fee differential of \$5 for paper delivery covers less than half the actual cost, and as paper, printing, and postage costs continue to increase, the price of paper delivery membership will likely increase before too long.

Electronic delivery has the added advantages of color in the *Insider* and hot links to websites mentioned in the articles. You can file the digital copies on your computer for easy reference, freeing up valuable space for your genealogy papers, and it's another great way to support the GFO. We strongly encourage you to switch to electronic delivery for your GFO publications today.

To do so, please call the GFO (503-963-1932) and leave a message for Marj, or email gfoinfo@hotmail.com. Be sure to include your membership number in your phone or email message.

President's Message

In my very first letter to the GFO membership as your new president, I'd like to start by thanking all of you who encouraged me to run for the position and those who supported me with their votes. I am honored to be your president and promise to do my best for you, the members, and for the GFO.

I do not take this position lightly. To paraphrase Dr. Martin Luther King, "I accept this [responsibility] in the spirit of a curator of some precious heirloom which he holds in trust for its true owners." This is your organization and your library—you are the true owners.

We have quite a few newcomers to your GFO board: Keith Pyeatt (secretary), Lenore LeMans (membership director), Nanci Remington (education director), Rhonda Stone (director-at-large), and Becky Clark (Insider editor). Returning (no newbie) is Gerry Lenzen, also as director-at-large. Continuing to serve are Janet Irwin (vice-president), Jeanette Hopkins (treasurer), Sandi Whiteman (library director), Jim Morrow (facility manager), Judi Scott (Bulletin co-editor), and Loretta Welsh (publishing director, data extraction director, research requests manager, and technology chair).

We have vacancies for the positions of volunteer coordinator and marketing/publicity director, and it occurs to me when looking at all of Loretta's jobs that she could use some help!

Your board of directors wants to hear from you, and now is a great time before things get busy in the fall. Is the GFO all you want it to be? Are we meeting your needs? What can we do to improve? You may email any of us at gfoinfo@hotmail.com or leave a suggestion in the suggestion box near the entry doors in the library.

For now, as the days are likely to grow warmer, don't pass up an opportunity to research in air-conditioned comfort in our library, open seven days a week and Wednesday evenings until 8 pm. There are always new books to discover and friendly research assistants to help you with your genealogy.

—Laurel Smith

Spring Seminar a Success!

The J. Mark Lowe Spring Seminar was both informative and entertaining and successful as a fundraiser for the GFO as well. Mark presented a number of strategies and lesser known resources backed by humorous stories and anecdotes.

114 people attended, and the GFO earned \$2,521.23 from the event.

Some of those surveyed expressed a desire for a more complete syllabus. Often a speaker will not include in the syllabus everything mentioned in the talk because there are people who disregard copyright and use the syllabus as the basis for their own talks. The speakers try to give the main outline and links to websites along with enough information to remind people of what was said in the lectures.

Endowment Committee Members Needed

Terms are ending for Marty Krauter, Larry Sullivan, Charles Bennett, and Marlyn Lewis, the four members of the Endowment Committee, and they would like to find replacements. Marty has served six years, and the others are finishing their two year terms. The positions require a knowledge of investments. A working knowledge of computers would be helpful for at least one member for downloading statements and reports.

Anyone interested in serving on the Endowment Committee should leave a message with reception or contact a member of the board.

Genealogical Forum of Oregon Hall of Fame 2012

Lyleth Winther & Cathy Lauer

The Genealogical Forum of Oregon's Hall of Fame award was established in 1987 to recognize current and past members whose dedication to service has enabled the GFO to grow and become what it is today. This year we have two members who are being honored for their dedication and contributions to the GFO.

Lyleth Winther

Lyleth Winther joined the GFO in 1979. Her contributions to the society demonstrate her commitment to providing a resource where genealogists can go to learn "who they are."

Lyleth began her GFO career as a Research Assistant, and she was always willing to substitute for others. She is a past editor of *The Bulletin* and the *Forum Insider*. One of the popular columns that she wrote for the *Insider* was "On the Road Again With Cathy and Lyleth." Lyleth and Cathy Lauer visited genealogical libraries and wrote descriptions of what they found.

When a volunteer coordinator was needed, Lyleth stepped in and did that job. She staffed GFO information booths at the Oregon State Fair and at conferences, and she sold surplus books at GFO seminars and open houses. She is the current leader of the GFO British Interest Group.

In 2008 Lyleth was elected to the GFO Board as secretary. In 2009 she was elected GFO President. During her third term of office she worked with the relocation committees in various venues.

Lyleth tells visitors, "The Forum is an all volunteer organization with no paid staff. Everything is done by volunteers who give of their time and talents." She has walked that talk.

Cathy Lauer

Cathy has been a member of the GFO since 1979 and has been a Research Assistant (RA) since that time. Currently she is the RA Coordinator. Cathy is a former Board Secretary and is currently on the Board as Director-at-Large.

She has worked on many projects at GFO including fund-raising to acquire the WPA county inventory books, transcribing the probate index, reorganizing the vertical files, and assisting the Library Director in other projects.

Cathy is a member of the committee that delivers the GFO *Insider* and *Bulletin* to members electronically and is always one of the key volunteers for each of our seminars. Whenever the GFO has to move materials from one place to another, Cathy always has her small pickup gassed up and ready to go.

She works to prove lineages for applicants to the First Families of Multnomah County program and has been involved with regional DAR activities for many years.

Cathy is a most reliable and faithful member of the genealogical community and deserves to be recognized and distinguished in a public manner for her 33 years of continuous service.

I am sorry to say that we will no longer have Heritage Scrapbooking available at GFO. Due to a lack of interest in the past few months, I felt it best to just end our group now and not restart next fall.

Thank you so much to all who have participated over the past couple of years. I hope you continue preserving the photo history of your family, and please consider joining the Writers' Forum at GFO to learn writing techniques that will help you tell your family history and stories.
