The Family Photo Collection

& ITS USES IN VISUALIZING YOUR PERSONAL FAMILY HISTORY

**HAROLD
HINDS**

**SAT., JUNE 16
2 P.M.**

**Free and
Open to the
Public**

Most of us hope to illustrate our personal family histories with family photographs. But what should be collected? Which deserve to be preserved and identified for posterity? What types of photos might you find in typical family albums or shoe boxes? What guidelines might you apply in selecting items from your collection for inclusion in a family memoir? This lecture tackles these important questions.
