REGISTER ONLINE:

gfo.org/spreadsheets

Unlock the power of spreadsheets to sort and analyze your genealogy research.

Discover how essential they are in managing your DNA information.

This 3-hour workshop includes these valuable lessons:

- Top spreadsheet tricks
- Add color in worksheets, split columns, wrap text, freeze panes, sort, filter, and more
- Find work-arounds for date issues in Excel
- Import data from websites like Ancestry, FamilySearch, and others.

Bring your laptop with Excel installed.

MARY KIRCHER RODDY, CG®, has a Masters in Professional Accounting, a certificate in Genealogy and Family History, and is credentialed by the Board for Certification of Genealogists®.

Mary has published articles in *Family Chronicle* and *Internet Genealogy*. She frequently lectures around the Seattle area, and is an active member of Seattle Genealogical Society, the Genealogical Speakers Guild, the Association of Professional Genealogists, and the National Genealogical Society.
