

# Grand Army of the Republic (GAR) Membership Applications

Shiloh Post #77

Newberg, Yamhill County, Oregon

The original 118 applications indexed below are held by the Yamhill County Historical Society and were part of the Hopkins Family Donation. Nearly all the applicants had Newberg addresses.

Information on the application may include:

- applicant's age
- place born
- current residence
- occupation
- date of enlistment
- company
- regiment
- discharge date
- reason discharged
- rank
- previous GAR membership application
- signature [sometimes missing]

Not every line is filled out on every application.

Transcriptions of the names were done first from the signature, and if ambiguous, compared to other surname entries on the form. The surname spelling was not always consistent on the application.

If there is more than one application for a person, this may indicate the man had been dropped for non-payment of dues and had reapplied.

For a \$5 donation to the Yamhill County Genealogical Society (YCGS), a copy (digital image emailed or photocopy by postal mail) of the application will be provided. Please include the name in full as it appears in the entry. By clicking [here](#) you will be taken to the YCGS site to order.
