

ADDING HISTORICAL CONTEXT TO YOUR GENEALOGY RESEARCH:

A Hands-On Approach

14 July

Half-Day Workshop

Adding historical context to our genealogical research makes it richer, more interesting, and helps to explain some of the changes in our families. But if you aren't a historian how do you know when there is an opportunity for adding history to our research? In this workshop we will:

1. Practice identifying items, events, and topics ripe for historical research.
2. Once the questions have been asked, we will learn how to find those answers.
3. Finally, we will discuss how to add this new-found information to our family's history.

9:30 a.m. - Noon
