We're excited to come visit the Pacific Northwest and invite you to join us with Duff Wilson, Executive Director, and Mark Olsen, Family Tree Maker Ambassador. We will be showing our new Family Tree Maker 2024 edition. The event will include two sessions with a 20-minute break in between, and time at the end for questions and answers.

The Family Tree Maker team has been listening to you — our customers — and working hard to create a compelling major new edition. We will be showcasing all the new features and capabilities live at this event. Attendance is free, and we hope to see you there.
