TOM HALLMAN JR.

RESEARCH & WRITING: A Journalist's Tips

The job of the journalist and that of the genealogist are surprisingly similar: we both research the facts and the context of people to tell their stories. Genealogists tend to focus more on the research, but journalists must do both. Pulitzer Prize winner Tom Hallman, Jr., of *The Oregonian* knows a thing or two about journalism, and he is coming to the GFO to share his insights with us.

Saturday, Nov. 17 at 2 p.m.
