GENEALOGY BOOT CAMP

Join Laurel Smith at the GFO for a day of beginning genealogy. There will be sessions about the census, vital records, immigration and naturalization, discussions about genealogy software and database use, organizing your research and more – all geared toward beginners. Bring a sack lunch so the discussion can continue while we eat. GFO members may attend for free, non-members for \$20.

Register online at GFO.org/bootcamp by Oct. 22. A link to the class notes and a short, pre-Boot Camp assignment will be emailed on Oct. 24.

Walk-ins unavailable, so please register online.
