

Genealogical Forum of Oregon Library (GFO) Shelflist

This shelflist is not intended as a library catalog. Its purpose is to alert those searching for specific titles that we have the material they seek in our library. The shelflist is updated quarterly. It includes all holdings in the GFO Library including books, microfilm, microfiche, CDs, original marriage records, and more.

The GFO's online catalog is [here](#) and will provide more complete information about these holdings.

GFO volunteers will do lookups in any of our library materials. These lookups are free to GFO members when they are requested from [MemberSpace](#); there is a small fee for [non-member lookups](#).

The Genealogical Forum maintains the largest genealogical library in the Pacific Northwest. It is located in Portland, Oregon and holds resources for more than 50 countries and all states in the U.S.
